SUBJECT: POLAND - JULY 2006 SINGAPORE OPERATIONAL EXPERTS
GROUP (OEG) MEETING

REF: STATE 132263

1. Poloff delivered reftel points on the Singapore OEG to Lukasz Zielinski, PSI point of contact in the MFA Security Policy Department. Zielinski responded that he had attended the OEG and the GOP had found it very fruitful. He noted with some pride that many delegations had the success of the June 2006 HLP in. During the OEG, Poland had briefed OEG participants on the Baltic Sea PSI exercise scheduled for 13-15 September in Gdansk, Poland. Zielinski added that Poland planned at the next OEG in Montreal to engage in the discussion on ground interdictions, as Poland has developed significant experience in this area after having conducted two successful ground interdiction exercises.
